About me:

Hello!

I am Mrs Hughes and I teach Year 6 in one of the upstairs classrooms. I am also one of the Assistant Heads, with Miss Matthews.

I have taught for a long time and enjoy teaching every subject. I especially like English and Design Technology.

This is my cat called Woody. He used to be a stray and likes attacking my feet when he's hungry!

A fun fact about me

Come and visit us in Year 6!
