

# Meet the Teacher

Mrs Tseronis

3RP/LT

I really like:

- Spending time with my family
- The seaside
- Ice cream
- Exploring new places
- Thunderstorms

A list of my favourite things

Photo of me

About me:

I have been a teacher in the Hawksmoor Learning Trust for a long time – since long before you were even born! I came to teach Year 3 at The Radstone 4 years ago.

I only work here on Thursdays and Fridays but you may see me around on other days when I'm dropping off and collecting my children from school.

I have two children who both come to The Radstone too!

A fun fact about me

I'm really looking forward to being one of your teachers in September and look forward to hearing about your summer holidays.
