

# Learning Journey Growing and Changing Upper Key Stage 2

Children apply their knowledge of the various puberty changes, including menstruation, and identify some products that they may need during puberty, and why.

Children will increase their vocabulary for the external sexual organs, as well as debunk some of the myths associated with various puberty changes.

Children learn the variety of ways in which a couple can create a family (including through sexual intercourse), and how it can be prevented. They learn the legal age of consent and what it means.
