Meet the Teacher

Mrs Brawn

I really like:

Chocolate

I love to dunk a bourbon biscuit in my cup of tea!

Going to the gym

Walking my dog

A list of my favourite things

Photo of me

About me:

I love keeping fit, I enjoy running, walking, weight training and all different types of sport. I have two teenage children, and I especially love spending time with them. I also have a little dog called Nellie and we go on many walking adventures together. My favourite subjects to are English, Maths, Science, Geography and History.

I have competed in 4 Hyrox events and have run several marathons.

The longest race I have completed is a 53mile race across the South Downs from Arundel to Winchester.

A fun fact about me
